Provincial Superior

Capriate S. Gervasio (BG), October 12th 2015

***Dear Fr. Baby Ellickal
Vice Provincial of Indian Camilians,***

Dear Father and Confreres

gathered to the General Assembly of the Vice Province of India “The Lord be with you and the communion of the Holy Spirit fill your hearts with peace and good will”.

Let my best wishes enter in to your meeting for the spirit of union as brothers in Christ.

Yes my dears we strongly believe that, in our veins the human blood was replaced by the Holy Spirit. There is something in us more power full then blood; same thing that has the power to transform this life in to eternity. We will pass through the death but our life will not die. Hope you understand me.

Our eternity started already every time that we decided that love, the same love of God, enter and dominate our life. Oh happy that man that feels surrounded and overcome by love. Unfortunately our province is on the “hot point” about the project to “dismiss” some hospitals and bishops and the Holy See asked me to present our request in order to get the canonical permission. So this is the reason of my absence. Truly speaking J do not understand all this care when our pope Franciscus spoke in very clear way about this Kind of structures. But we Know that every passage must be very clear to our responsables in Vatican.

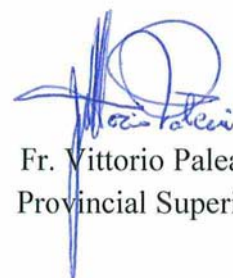

So my dears, please take all the time you need to open you hearts and to speak to serve the truth.

Is not necessary to speak too long showing talent and eloquence. You know each other already and nobody can hide himself behind words.

J hope that this meeting will be fruitful if will generate more unity and good suggestions for the next “Provincial Project” that the first Provincial Chapter in 2017 will officially approve for the good of all Confreres, Communities, Province and Order.

Take all the time you need, you have time enough.

God bless your efforts. My fraternal love will stay for all and forever.

Fr. Vittorio Paleari
Provincial Superior
