Nature and objectives of Camillianum

The Camillianum, inspired by the charism of St. Camillus de Lellis, is the only Academic Institute in Pastoral Health Care Theology. It is open to the global community and teaches to confront other cultural realities. It is annexed to the Faculty of Sacred Theology at the Pontifical Lateran University and offers a pastoral theology, a blend of theology, philosophy and human sciences. It has developed a school able to experience interdisciplinary on issues of health, suffering, assistance and care. It holds together profiles theological and humanistic respecting the doctrine and openness to the demands of contemporary life. It promotes the humanization of the world of suffering and care. It prepares teachers in pastoral care theology, social welfare experts and representatives for the diocesan pastoral care.
