### **273 Years after the Canonisation of St. Camillus: the First Camillian Woman Saint – Giuseppina Vannini!**

*Dearest Religious Brothers and Sisters of the great family of St. Camillus,*

**The celebration of the liturgical feast day of our saint, Father Camillus, leads us, in addition to giving praise to God for the gift of such a great saint, to reclaim our charism** in order to make it increasingly alive and relevant today, so that it may continue to produce fruits in us and through us in all those who need our help.

To illuminate our journey on this pathway of life and giving we have, in addition to our father St. Camillus, our Blesseds, our Venerables and our Servants of God, as well as an array of religious brothers and sisters who through the example of their lives, more than by words, knew how to express the Gospel of the Good Samaritan in the different contexts and circumstances in which they implemented it.

**Amongst the very many personalities who have stood out in the exercise of the charism of charity, one in particular attracts our attention today – the Blessed Giuseppina Vannini, the Founder of our Congregation of the Daughters of St. Camillus, who on 13 October next will be proclaimed a SAINT by Pope Francis.**

It is with immense joy that I want to share with you this great grace that the Lord has deigned to grant to our religious family. A daughter faithful to St. Camillus who equals the Father of our Congregation 272 years after his canonisation!

This event is also a sign of the fertility and further authenticity of an ancient but always new charism that continues to mark the history of holiness of the Church in general and our religious family in particular. And we hope that soon other very fine examples of men and women Camillians can also shine before the people of God.

We received and accepted an invitation from Latin American Lay Camillian Families to join them for the **VI Latin American Meeting which will take place in Lima from 24-27 October 2019.** The theme for their meeting “**The Pearl of Charity in our hands today**” is a theme that the Central Commission and all lay Camillian Families can reflect on in the coming months.

## THE PROVINCE OF NORTH ITALY

**For a decade (a small anniversary) Fr. Simone Skawiński has been engaged in service for the sick in the Hospital of Galliera and since 2009 he has been a part of the chaplaincy. This chaplaincy has three priests, a permanent deacon, and a group of volunteers now made up of four extraordinary women ministers of the Eucharist.** This has been a very important and indeed unique experience of cooperation between priests and lay volunteers who bring spiritual benefits to our sick people. All the patients receive

a visit twice a week from a lay person and a priest. A personal visit is made to the patients of the hospital who await us in the wards.

## THE DELEGATION IN TAIWAN

This year over 600 young students have been awarded their diplomas in nursing at the 'Camillian' School for Nurses in Lotung (Taiwan).

Our young confrere Khhanh was awarded a degree in theology. At the beginning of July he went back to Vietnam – he is a member of the Delegation of that country – to prepare for his ordination as a priest which is planned for 17 August of this year.

Father Didonè recently met a Chinese bishop in order to talk about a clinic that was built some years ago by the Camillians and then donated to the diocese. As there are now many candidates from China, the decision was taken to begin talks with the diocese to take back the building which will have the purpose of accommodating new candidates and in the future creating a new Camillian community.

Recently, the sixty-third anniversary of the consecration of the church of Tung Hao, which was recently acquired by the Camillians, was celebrated.

A technology company recently donated to the Camillians new equipment for the hospital in Chiaoshi as an expression of gratitude for the work done by our religious for the very poor and those most in difficulty.

## DELEGATION IN VIETNAM

The opening of a building for sick and poor people was inaugurated in the Camillian community who live in the southern part of Vietnam (6 July 2019).

This building has a capacity of about 120 beds. This community is a polyclinic that has about 180 patients every day.

This is a clinic where the patients pay only 20% of the real costs and those who do not have money or are poor can ask our Camillian priest whose responsibility it is to check the case and give money to pay for the treatment. Usually, the

patients pay about two American dollars which is equivalent to 120 Indian rupees.

### *La testimonianza dei novizi*

On 25<sup>th</sup> of May 2019, nine of the Novices have received the temporary profession. The long-awaited dream and desire of all of us to receive the Camillian Cassock and become the members of Camillian Religious community has come to its fulfillment.

In this year of novitiate, we have spent our life meaningfully in prayer and ministry, with the help of our novice master Fr. Sunil and our spiritual directors. This helped us to grow in our spiritual life. It was graceful moment living together with all the fathers of the community sharing ups and downs of our lives. This helped us to know about our Camillian way of life.

We had eight days of retreat as preparation for temporary profession, which helped us to take this choice of Camillian religious life. With the full knowledge and free will we, Ajin Joseph, Albin Thomas, Albin K Joseph, Bimal Nayak, Dipak Lakra, Fedric Bara, Nitesh Kispotta, Rahul Nayak, and Sikendra Singh, dedicated our life for the service of God on 25<sup>th</sup> May 2019. *On the Island of Flores, in Indonesia, our Camillian religious are involved in improving the lives of mentally ill people who live in terrible conditions.*

Mentally ill people are forced to live in inhuman conditions. On the Island of Flores (Indonesia) [[Link](#)] these unhappy individuals are forced to live in tents or in huts, chained up or with one of their feet trapped between the two trunks of felled trees, exposed to bad weather, mosquitoes and other insects. There, day and night, they live, sleep, urinate and defecate. To this are added physical suffering, psychological difficulties and social isolation. Some of these sick people have been in this state for months, some for a few years and one even for forty years

Trusting that the Lord, the Holy Virgin our Queen, St. Camillus, the Blessed Luigi Tezza, the Blessed Giuseppina Vannini, and our deceased religious brothers and sisters, will welcome them in their midst, we commend them in our prayers, remembering them with affection, esteem and gratitude’.*

### **PRAYER FOR THE VICTIMS OF ALL TYPES OF DISASTERS – CADIS**

*For all the victims of all types of disasters, for people who have lost their lives, for their loved ones, for the survivors, and for all those who work to provide help, we pray: God in heaven, who has created and who preserves every existence, you know all of our sadness and our suffering. May all the victims of all types of disasters be welcomed in your peace! Receive, we pray, in your mercy, our very many brothers and sisters buried by the forces unleashed by nature. Lead them to your home! Comfort the pain of so many families, dry the tears of so many brothers and sisters, offer protection to the loneliness of so many orphans. Instil courage into everyone so that pain is transformed into a journey of growth and hope. Generate in the hearts of Christians and all men and women of good will the wish to act so that the wounded and those who suffer because of these calamities experience the comfort of fraternal solidarity. You who live and reign for ever and ever. Amen. Our Father – Hail Mary – Glory.*
