

Camillians Organize Medical Mission

Khalelha Añonuevo, CPHDO

The Camillians in the Philippines, in partnership with CADIS-Taiwan through St. Mary's Hospital-Luodong, organized a Medical Mission to selected sitios in Antipolo City last July 5–7, 2019. Some of these sitios are almost isolated because of their geographical features—steep trails that these areas can only be reached by foot.

Several local Camillian institutions and offices involved in the Medical Mission were St. Camillus Medical Center (SCMC) and St. Camillus Polyclinic-Makati that sent doctors and provided the needed medical equipment. The Nuestra Señora de la Annunciata Parish, headed by Fr. Evan Paul Villanueva, provided logistical support as the main coordinator to the sitios. The Camillian Philanthropic and Health Development Office (CPHDO) spearheaded the fundraising efforts for other needs such as food, transportation, etc. and was in charge of the Camillian health volunteers.

St. Mary's Hospital sent a medical team and donated cash to buy medicine.

The core team met thrice and planned to ensure the smooth operation of the Medical Mission. The core team was composed of Fr. Gabriel Garcia (CEO, Camillian Socio-Health Institutions); Fr. Evan Paul Villanueva; Fr. John Paul Alvarado (Executive Director, CPHDO); Drs. Edwin and Lydia Labro (SCMC); Yolanda Rodriguez, Mely Salvador and Paraluman Ignacio (community health volunteers, Sitio Boso-Boso); Khalelha Añonuevo (PDO Officer, CPHDO) and Gerlita Condino-Enrera (Camillian Social Worker).

Day 1–July 5, 2019, Sitio San Joseph

The volunteers of the community had an early start at 7:30AM as they were the ones in charge of the registration of the residents who wanted to avail of free medical services. The actual medical mission started at 9:00AM and ended at 12 noon. A total of 10 doctors participated and a few volunteers from CPHDO's Heart in Hands Donors' Circle showed their support by assisting in the process through translating, handing out water and snacks, and calling out names of the patients to claim

(continued on page 4)

Across the Philippine Province, a lot of activities were arranged in relation to the celebration of the feast day of St. Camillus de Lellis in the month of July. One of them was the medical mission conducted in three areas of Antipolo, Rizal, Philippines by a big delegation of medical staff from St. Mary's Hospital, Lungsod, Yilan and from other Catholic hospitals in Taipei, Taiwan together with a large number of local medical staff and volunteers. At the conclusion of the medical mission, a Memorandum of Understanding was signed between St. Mary's Hospital and St. Camillus Medical Center.

Another highlight related to the celebration was the recognition of outstanding employees of our socio-health care institutions in the Philippines and loyalty service awards for some of our employees in Taiwan; in Indonesia, we had one brother who took the solemn vows and was ordained deacon the following month; and in the Archdiocese of Karachi, Pakistan, the feast of St. Camillus was celebrated for the first time together with the Lay Camillian Family accompanied by Fr. Mushtaq Anjum.

But the whole Order was saddened with the demise of the 60th successor of St. Camillus as Superior General. Due to certain disease, Fr. Leocir Pessini died on the 24th of July at a Camillian community in São Paulo, Brazil. He had just visited the Philippine Province a year ago and was much loved by the religious and lay collaborators with his presence. May the Lord grant him eternal rest in His kingdom.

Let us continue to pray for one another and ask the Lord for the grace to always recognize and serve Him in the sick.

POSTCARDS FROM TAIWAN

Fr. Giuseppe Didonè, MI

June 1: Graduation day of the Nursing College as nearly 600 students received their diplomas.

June 22: Br. Khanh graduated from his Theologate course. On July 1st, he went back to his native Vietnam to prepare for his priestly ordination on August 17, 2019.

June 29: It was the 63rd anniversary of the church in Tung Hao where the Camillians had just taken over the administration.

July 4: A company donated a machine at the Chiaoshi hospital as a thank you for the work done by the Camillians in remote areas.

June 25: Fr. Didone went to Mainland to talk to a bishop concerning the house built by the Camillians many years ago but was given to the diocese. The Camillians want to stipulate a contract with the bishop to give that house back to the Camillians where our priests from China could get accommodations and in the future establish the first community and serve as a base point for new vocations from China.

July 6: Fr. Didone, Fr. Matteo Kao and Fr. Michelini attended the 6th anniversary celebration of Pope Francis in Taipei. The Vice President of Taiwan was present.

July 12: The feast of St. Camillus was celebrated in the morning at the Center for Intellectual Disability with two baptisms and graduation of three children. In the afternoon at St. Mary's Hospital, there was the recognition of personnel who have rendered 10, 20, 30 and 40 years.

(continued on page 12)

their medicines from the pharmacy. A total of 318 patients were served that day.

Day 2—July 6, 2019, Barangay Calawis

On the second day of the mission, the team headed to Brgy. Calawis. The Medical Mission was held in a public school inside the barangay. This time the process was more smooth sailing. Registration started as early as 6:00AM. There was enough electric supply to provide X-ray and Ultrasound services. At least 20 volunteers from CPHDO including employees from Unisilver Time and Ophanim Printing helped out in translation, flow assistance, and in handing out of medicines. A total of 330 patients were served that day. The Philippine Blood Center was also present for their blood donation drive.

Day 3—July 7, 2019, Sitio Boso-Boso

The last day of the Medical Mission started with Mass at the Nuestra Señora de la Annunciata Parish Church. The sitio's covered court was already filled with patients even before the Mass was over. By 10:00AM, the quota of number of patients (300) had been reached but the Medical Mission Team decided to let more residents register. It was fortunate that at least 18 doctors and 3 dentists were present during the last day. CPHDO's volunteers were also present to translate, assist, and give out medicines. A total of 545 patients were served that day. A thanksgiving lunch (with Greenwich as one of the sponsors) was given after the mission to show appreciation to the doctors, volunteers, donors and CADIS-Taiwan. Special Certificates of Appreciation were awarded to the different groups involved in the Medical Mission. A Memorandum of Understanding between St. Mary's Hospital- Luodong and St. Camillus Medical Center under the St. Camillus Polyclinic Charity Foundation of the Camillian Fathers, Inc. was signed.

Camillians Recognize Outstanding Employees

Celebrating the Feast of St. Camillus on July 14, 2019, the Camillian Philippine Province prepared a Recognition Night for outstanding employees from the Camillian Socio-Health Institutions in the Philippines. Held at the Camillus MedHaven Nursing Home in Marikina City, 12 employees were awarded plaques of appreciation, recognizing their exemplary service and dedication. A posthumous award was also given.

The awardees were as follows:

St. Camillus Hospital of Mati:

Mr. Demetrio T. Bantugan, Jr.
Mr. Raulito J. Gubalani
Imelda O. Custodio (Posthumous Award)

St. Camillus Hospital – Calbayog:

Mr. Orlando B. Billate
Ms. Mercy Doroja-Basa
Mr. Ireneo R. Mingo

St. Camillus Medical Center:

Ms. Rosalie C. Canuel
Ms. Arlene D. Cruz
Mr. Diosdado D. Gucela
Ms. Ruth Aleth Y. Tomalon

Camillus MedHaven:

Ms. Nilda V. Hilario
Ms. Lalaine O. Turallo

CFI- Central Office:

Ms. Glenda M. Magculang

Congratulations to the awardees! Indeed they best exemplify what St. Camillus had said: "...I wish I had a hundred arms in order to be able to do much more!"

ST. CAMILLUS DE LELLIS FEAST DAY CELEBRATION

St. Camillus Health Care Center, Cainta: Wearing the Red Cross as a symbol of love and compassion for all especially for the sick, the Camillian lay community in Cainta, Rizal celebrated the feast of St. Camillus in Holy Mass on July 14, 2019.

On this Year of the Youth, there was a basketball and volleyball tournament for the youngsters. The final games and awarding of the St. Camillus Cup coincided on the feast day.

Enthronement of St. Camillus de Lellis at the Our Lady of Manaoag Chapel in Lim Ket Kai Mall in Cagayan de Oro City on July 14, 2019.

St. Camillus Polyclinic and LCF, Makati: Coinciding the celebration of the Feast Day of St. Camillus was the 7th Year Anniversary of Friends of the Sick of the Lay Camillian Family (FOTS-LCF) Makati. Several activities were held: Mass for the Sick, Commissioning of new members and Renewal of all FOTS-LCF members.

St. Camillus Hospital of Mati continues the mission of St. Camillus of bringing the everlasting love of God to the sick. On July 9, 2019 there was a medical, dental and surgical mission at the Divine Mercy Parish in Mati, Davao Oriental. On this day of celebrating the feast of charity and in engaging others in creating a new school of charity, hearts and hands were gathered in faith to do much more for the sick and the vulnerable. Padayon!

Camillian Philanthropic Health Development

3RD ASIAN PHILANTHROPIC DEVELOPMENT CONFERENCE

Khalelha Añonuevo

Spring Rain Global's 3rd Asian Philanthropic Development Conference was held from July 22–24 this year as different philanthropic development offices (PDOs) from around the world converged in Kuala Lumpur, Malaysia to share and learn more about philanthropy. This year's theme was "Innovations in Asian Philanthropy Landscape for a Stronger Development Ecosystem." For three days various speakers from different backgrounds discussed the aspects of philanthropy.

The conference also served as the stage for the oath-taking and induction of the newly elected officers of the Spring Rain Global PDO Ecosystem. CPHDO's Executive Director, Fr. John Paul Alvarado, MI, was elected president during the directors' meeting earlier this year, thus, making the induction the official start of his term. Bishop Gerardo Alminaza, DD, of the Diocese of San Carlos blessed the inducted officers and those in attendance.

On the second day of the conference, a donor-donee relations night took place after the series of talks. This

was the time for the donors to get to know the different PDOs, their advocacies and the programs and projects under them. Special awards were also presented. The Vincentian Foundation took home the Rookie PDO Award (CPHDO's award last year) as it is the most promising PDO among the newly launched ones. Fr. John Paul, meanwhile, took home the Most Outstanding PDO Director Award. Outstanding donors like the 12 Baskets Movement and The Consuelo Foundation were also recognized. The night ended with the launching of Spring Rain Global's other events like the Missions Cup, the Big Sleep Out, and the Search for the SRG Voice.

On the 3rd and final day of the gathering, Fr. John Paul showed why he was chosen as the Most Outstanding PDO Director Awardee as he gave a talk entitled, "Taking the Challenge to Follow the System and Innovate from Within." He shared CPHDO's own struggles and successes and shared tips to overcome these challenges and achieve these wins. The conference concluded with all attendees singing Spring Rain's theme song.

DELEGATION OF INDONESIA: Feast of St. Camillus

Fr. Luigi Galvani, MI

The feast of St. Camillus celebrated last July 14, 2019 at the St. Camillus Seminary in Maumere was marked by significant events: the 10-year anniversary of the Indonesian Delegation, the renewal of vows of 8 religious, the admission to the novitiate of 6 candidates, the first profession of vows of 6 novices and the first perpetual profession.

The Indonesian Delegation feels blessed by the Lord for the good missionary work done in a very short period of time. Ten years ago, our first seminary community was formed by four people; today the group can count more than 70 candidates.

Since the beginning, the main objective of the Delegation was, and still remains, the vocation promotion and formation of candidates so that the dream of St. Camillus to see his institute spreading in all the countries of the world has reached another happy reality with Indonesia.

During the celebration, which was presided by Fr. Luigi, Delegation Superior, the first perpetual profession

of Scholastic Mensianus Aman was a significant and touching moment. The newly perpetually professed is considered the beginner of the second generation of Indonesian Camillians following the four Camillian pioneers who, in the year 2000, were sent to Manila for their studies and formation. They returned back in 2009 and were ordained in their own country, Indonesia. Now, all of them form the team of formators of our two seminaries in Ledalero and Ruteng. From now on, we believe and hope that the Delegation will be enriched every year with a new group of novices, temporary and perpetual professed and luckily, new ordinations.

The short history of the Indonesian Delegation was characterized by some significant events which marked its growth: the canonical recognition by the Consulta General in 2011; the blessing of the first St. Camillus Seminary in Maumere in 2012; the opening of the second seminary in Ruteng in 2015; the beginning of the novitiate in Nita in 2016; the blessing of the Theologate in 2017; the opening of the St. Camillus Social Center in Misir in 2018; and the launching of the "Mineral Water and Gelato San Camillo" in 2019.

At present, the Indonesian Delegation counts 6 priests, one deacon, 14 temporary professed, 6 novices, 42 seminarians in philosophy and 20 aspirants.

Behind the formation task, the Delegation is also committed to pastoral ministry with the chaplaincy at the Government Hospital of the city, the weekly visitation to the sick in some villages and summer parish ministry with the seminarians. Some social activities are organized like feeding program for hundred needy children and a foster scholarship program for students with financial difficulties.

Diaconal Ordination of Rev. Mensianus Aman on August 4, 2019

After 10 years, the Indonesian Delegation is still looking at its future with hope, enthusiasm and the desire to continue in multiplying the “one hundred hands” of charity which St. Camillus recommended to his religious.

Certainly, other good opportunities will be uncountable in the years to come and we believe that with the power of the Holy Spirit and the inspiration of St. Camillus “everything will be possible.”

In memory of Fr. Leocir Pessini (May 14, 1955–July 24, 2019)

FATHER LEOCIR PESSINI was born on May 14, 1955 in Joaçaba, city of the State of Santa Catarina in Brazil, from a family of Italian origins.

He made his first religious profession among the Ministers of the Sick (Camillians) in 1975, the solemn religious profession in 1978, and was ordained a priest in 1980.

He has always cultivated a great passion for the Camillian charism, the care of the sick, the humanization of the health world, and the teaching of bioethical disciplines.

Fr. Leocir loved to divide his biography into three large arches, to identify three strong and fundamental moments in the construction of his life path.

The first 15 years have been completely dedicated to serving the sick (1981–1995). During the first 13 years, he worked as a chaplain at the Hospital das Clínicas of the Faculty of Medicine of the University of São Paulo (Brazil).

In the second stage of this journey of another 15 years (1995–2010), he performed administrative functions: as a university lecturer and scientific director of some magazines (Bioetikos and O Mundo da Saúde). He assumed responsibility in the educational sector of the Camillian province of Brazil, in the União Social Camiliana, a body that supports the Camillian university in Brazil. In this period he attended courses for the license and the doctorate in moral theology and bioethics at the Pontifical Catholic University of São Paulo – Faculty of Theology Nossa Senhora da Assunção. As part of civil society, the church and the Brazilian government, he played the role of national coordinator for health pastoral care at the conference of the Brazilian bishops (2004–2007); member of the National Com-

mission for Research on Human Beings in the Federal Government – Ministry of Health (2005–2008), Bioethics Consultant to the Federal Council of Medicine (2010–2014).

The third stage of his life journey was characterized by the service of authority among the Camillian confreres (2010–2019) in two different moments: the first, as provincial superior of the Camillian province of Brazil (2010–2014) and the second, as Superior General of the Camillian Order.

In June 2014, the 58th General Chapter of the Camillian Order elected him Superior General of the Order, 60th successor of Saint Camillus de Lellis. He visited all the communities of the Order, met the confreres at all latitudes (39 nations), sharing with them efforts and hopes in the great challenge of embodying the charism of caring for the sick and teaching others to do the same!

After the discovery of the disease in September 2018, he spent several months of therapy in Rome and from March 2019 he moved to San Paolo (Brazil). The care offered by the doctors, the brotherhood of the confreres and the affection of his parents and sisters accompanied and consoled him in his encounter with the good and merciful face of God the Father!

He died at the Camillian community of ‘Recanto San Camillo’ of Granja Viana (Cotia - São Paulo - Brazil), on the night of July 24, 2019.

Leocir, some time ago, concluded a short essay with this reflection: “I feel this expression of the famous poet T.S. Eliot (1888–1965): ‘We must continue to search, but at the end of our research we will return to the starting point and know this place for the first time.’”

We are grateful and grateful to the Lord, God of Life, for the Camillian life and vocation of Fr. Leocir! R.I.P.

Pakistan Celebrates the Feast of St. Camillus de Lellis

Fr. Mushtaq Anjum, MI

KARACHI – The feast of St. Camillus de Lellis, the patron saint of the sick, nurses, doctors, hospitals and healthcare workers, is celebrated on July 14 in the liturgical calendar of the Catholic Church. The Order of the Ministers of the Infirm (Camillians) and the Archdiocese of Karachi celebrated the feast of this great saint of charity for the first time in Pakistan.

His Eminence Joseph Cardinal Coutts presided the Eucharistic celebration. Fr. Saleh Diego, the Vicar General, the Diocesan clergy and the religious from various male and female congregations were present.

In his homily Fr. Mushtaq Anjum, a Camillian priest, said that St. Camillus brought “new hope and courage” to our families and struggling youth. St. Camillus suffered neglect as he lost his mother, Camilla, at a young age. He lost his father, Giovanni, in his teens. Such neglect and lack of paternal and maternal affection resulted in his misbehavior. However, he took courage with the grace of God and became a renewed man after his conversion.

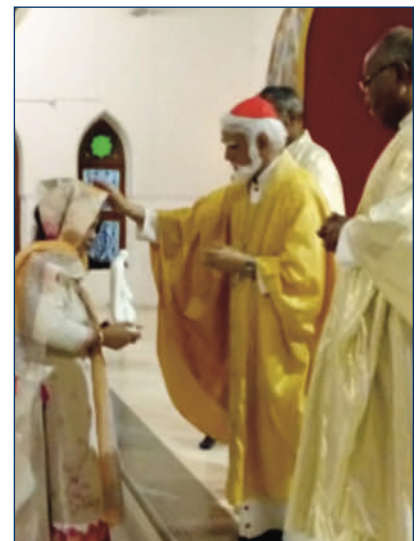

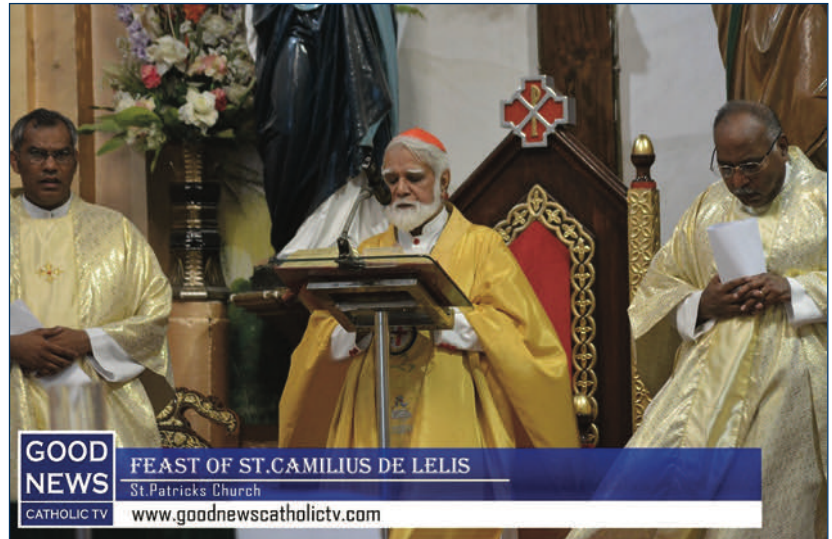

Mr. Waqar Naeem of The Jesus Youth showed this conversion in a short tableau and how St. Camillus loved and cared for the sick people.

The Lay Camillian Family members brought offerings and the choir sang beautiful spiritual songs as they led the congregation into prayer.

After the Eucharistic celebration, the healing service continued. Fr. Shakeel Gulzar, Fr. Aamir Bhatti, Fr. Nazir John, OFM Cap., Fr. Noman Arif, Fr. Shehzad Peter and Fr. Mushtaq led the community into prayer, asking God’s healing and protection for the sick and the suffering.

The priests laid their hands on the sick, prayed and anointed them with holy oil. This brought many blessings to the sick, to their families and to the church.

After the celebration, sweets were distributed on this beautiful joyous occasion.

ST. CAMILLUS SEMINARY

Mass of the Holy Spirit

It is tradition for every Catholic school to celebrate the Mass of the Holy Spirit at the start of academic year to prepare the seminarians for another year of studies through the guidance of the Holy Spirit.

Last August 13, 2019, Tuesday, the Christ the King Mission Seminary celebrated the Mass of the Holy Spirit for academic year 2019–2020 presided by the Rector, Rev. Fr. Carlos Lariosa, SVD, and concelebrated by other priests. The presider was assisted by our beloved deacon and formator, Rev. Almar Roman, MI. In his homily, Fr. Lariosa gave us tips and knowledge on how to pursue and strengthen

our vocation. Before the Mass ended, Br. Romualdo Abulad, SVD, the College Dean of Studies, gave us instructions and reminders about the school rules and regulations.

We, Camillian seminarians, explored around the whole seminary compound while Rev. Almar attended a meeting with the other formators.

One realization: we are in this nice institution brought about by a common goal—to be a priest. A vocation is not formed in the school; it is formed within us and our ability to respond, cherish and apply every rule in the formation. – *Sem. Arjon Bryan V. Yamson*

Community Outing

Just around this time of the year when most of the seminarians are in a buzz for their annual out-of-town trip. Even before it was announced, there had been many speculations as to the destination for this year's outing. It was then decided that this year, it would be at Rev. Almar Roman's home province of Bataan, a place rich in history and natural sceneries. The seminarians were candidly excited as they set out for the trip. A long and what was supposed to be a taxing five-hour ride turned into a fun-filled road trip among the travelers. The planned route involved stopping at the famed Subic Bay for an early breakfast, then again departing to the historic parish of Nuestra Señora del Pilar in Morong, Bataan, where in the company of the canonically crowned image of the Virgin Mary, the seminary rector Fr. Ruben Mandin celebrated the Sunday Mass. They were warmly welcomed by Sem. Francis Vigo from the Diocese of Balanga, who then escorted them to Caeli Sea Resort in Morong. There, the activities were diligently planned and executed to instill in each and every seminarian a spirit of unity and brotherhood. The occasion was also graced by the presence of Frs. Wilson

Peñaranda and Bon Arimbuyutan, former formators and members of the community back in Marikina. Now, they are serving as hospital chaplains at the newly established Camillian presence in Bataan. Pleasant and high-spirited, those were the adjectives that best describe their two-day stay at the resort. Following their stay, they made a quick detour to the national historic landmark of Mount Samat, most commonly known in Filipino as the *Dambana ng Kagitingan* built to commemorate the valiant Filipino and American soldiers who fought and died in the Battle of Bataan during World War II. It has a 448 steps' footpath that zigzags across the mountain and at the top stands the Memorial Cross where, if one ought to reach the colonnade, one has to ride an elevator in order to reach the top

(continued on page 12)

(Community Outing... continued from page 11)

where it offers a panoramic view of the whole Bataan peninsula, a truly once-in-a-lifetime experience for them to visit. All things considered, the trip was fruitful and enjoy-

able, taking into account that the greatest part of the trip was not arriving at the destination but the memories that had been accumulated along the way. – *Sem. Lymer Ramoso*

(Postcards from Taiwan... continued from page 3)

Prayer for Ancestors: According to the Chinese custom, August, the 7th lunar month, is when the spirits come out from hell and instill fear to the people; thus, the people make some ceremonies to chase them away. Even the Church adapts to this custom by organizing prayer ceremonies for the ancestors at the hospital, handicapped center, senior center and nursing school.

August 11: The meeting of various hospital managers was held to make an evaluation of all aspects of the hospital. More than 100 managers took part. At the beginning of the conference Fr. Giuseppe Didone gave a lecture on the meaning of a Catholic hospital.

August 17: Priestly ordination of Joseph Luu Ngoc Khanh, a Vietnamese who now belongs to the Taiwanese Delegation.

August 21–23: Pastoral visit to the Taiwan Delegation of Fr. Jose Eloja, Provincial Superior
